## MISSION STATEMENT.....

The primary purpose of the CCT is to provide a vehicle for the education in, production of and development of the performing arts, including but not limited to drama, musical and related cultural productions, and to encourage Community participation in all aspects thereof.

## IT ALL STARTED WHEN.....

In the Fall of 1998, the idea to create a community theatre group in Colchester to perform musical theater productions was born. The idea came after several members of the original CCT Board of Directors had just completed a production of "*Jesus Christ Superstar*", and decided that it was time to expand their horizons for not only themselves, but for the Colchester community. The first CCT production was Rodgers and Hammerstein's "*Carousel*" in March of 1999. Several members of CCT, including Brian Birrell, Wallis Johnson, Barbara Gozzo, George VanDyne, George Tremblay, Richard Arsenault and Steve Howard were elected to the first CCT Board of Directors. CCT was formed with the Sponsorship of the Colchester Parks & Recreation, Adult Education, Youth Services, Senior Center and the Arts Commission. We have these members to thank for making the CCT a reality.
